Guidance for Operational Planning

1. Thank you for the copy of the CS, 18 January 1960, "Guidance for Operational Planning". I have referred it to the DTR and other interested officers. It will be helpful to OTR in bringing our instruction more closely into line with projected DD/P programming.

2. In the light of para. III., 3., N "Capital Formation" of your guidance memorandum, you might be interested in the attached paper. If my conjectures have merit it may be that here is an opportunity
